### MID-EAST FOOD FESTIVAL

The Mideast was very important to Renaissance Europe. The caravans that crossed the desert brought with them the spices of India and the Far East. These spices, among them pepper, cinnamon and saffron helped make the food of the time more palatable. These same spices were also used to scent peoples clothing and bodies, in essence the first deodorants. The foods below use many of these same spices giving them their distinctive flavors.

Savor the enticing flavor of the Mid-East Food Festival! Featured foods include:

- Gyros •
- Greek Salad •
- Baklava •
- Cheese Triangle •
- Beef Shish Kabob •
- Mid-East Salad •
- Pocket Pies •
- Mid-East Coffee Beans •

Look for booths bearing the special Mid-East Food Festival banners!

## Marco Polo Marketplace

In the late 13th century, the merchant Marco Polo travelled extensively in the Middle East and the Orient. While a prisoner of war in Genoa, he dictated an account of his colorful journeys. The resulting book was copied and translated into many languages. Although the stories were widely disbelieved in Renaissance times, they have served as an inspiration to many through the centuries.

The Marco Polo Marketplace located in Cartwheel Cove includes artisans new to the Festival. Like Marco Polo, these honorable merchants have travelled far to trade their exotic wares. Look carefully! There are treasures for sale here to prove the stories you will tell of our village.
