Hall of Masters

The 1995 Hall of Masters has relocated to Folkstone Hall this year, and features a showcase of the arts and crafts represented at the Festival. This weekend's exhibit will feature **Leather, Furniture and Wood**. Stop by to admire the fine pieces on display. Alicia Wolf, "Mistress of the Hall," or her assistants will be glad to answer any questions and direct you to the shop of the creator of any piece that catches your eye.

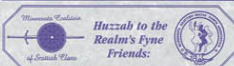

Visit Anniversary Hall

In honor of the 25th Anniversary season, the hall located near the "Big Bear" will include three unique exhibits. **The King's Armor Collection** is a unique display of arms and armor handcrafted by artists throughout the country. **The Renaissance of Dolls Collection** features a variety of dolls costumed in Renaissance garb and uniquely displayed among their own village cottages. **The Renaissance Collection** represents exceptional work of Festival artisans in all media.

Hear Ye! Hear Ye!

By special commission of His Majesty the King, Quick Silver Mint proudly presents a newly created bronze coin commemorating the 25th Anniversary of the Minnesota Renaissance Festival. Watch as your personalized Festival remembrance is stamped on a 16th century coin machine. The Mint is located in a colorful tent near the exit to First Aid.
