Hall of Masters

The 1995 Hall of Masters has relocated to Folkstone Hall this year, and features a showcase of the arts and crafts represented at the Festival. This weekend's exhibit will feature works by **Masters, Artisans, and nominees to the Masters Program.** Stop by to admire the fine pieces on display. Alicia Wold, "Madress of the Hall," or her assistants will be glad to answer any questions and direct you to the shop of the creator of any piece that catches your eye.

Visit Anniversary Hall

In honor of the 25th Anniversary season, the hall located near the "Big Bear" will include three unique exhibits. The **King's Armor Collection** is a unique display of arms and armor handcrafted by artists throughout the country. The **Renaissance of Dolls Collection** features a variety of dolls costumed in Renaissance garb and uniquely displayed among their own village cottages. The **Renaissance Collection** represents exceptional work of Festival artists in all media.

Hear Ye! Hear Ye!
