Riddle Booth Courtesy of
Faire Folk

Answer this riddle right now without fail. It's said I'm like footwear
but in the wrong scale, An empire's boneyard, the birth of rebirth,
Come say what I am now and show your true words. What am I?

It must be understood that we will not tell people the answer under any circumstances. We will tell them if their guess is correct or incorrect. We will continue to give clues until they guess correctly, but they can't come to us and be given the answer, so please don't suggest that that is a possibility. Thanks.
