Riddle Booth

.....
If you take me from the back of the hearth, it becomes one bloody chamber after another; if you take me from the front of the hearth it looks for all the world like all the world. What am I?

Discover The Riddle Booth for hints or to guess the answer.
.....

It must be understood that we will not tell people the answer under any circumstances. We will tell them if their guess is correct or incorrect. We will continue to give clues until they guess correctly, but they can't come to us and be given the answer, so please don't suggest that that is a possibility. Thanks.

Slip on a new identity with a colorful leather mask from Mask Parade. Artist Vincent Ur shapes each mask from a single piece of leather to avoid any stitching or glue coming apart. Mask styles range from festive designs such as jesters and celestials, to the dark and grim designs of skulls, devils and warlocks. All masks are made according to festival tradition in which the mouth remains open for eating, drinking and reveling.
