Oulu Glass  
Booth #447

Based in the deep woods of Northern Wisconsin, Anton Vojacek can be found twirling, sculpting, and firing his latest works in progress. In the business since 1968, Oulu Glass is celebrating 25 years at the Minnesota Renaissance Festival with their robust gallery of glass goblets, hummingbird feeders, and more. Find them in their uniquely designed booth, featuring heavy organic influences much like their glass works. Vojacek and his wife always look forward to the interaction with patrons from around the country and the chance to expose people to their passion. Stop by their booth at 10:00am, 12:00, 2:00, & 4:00pm to witness the mesmerizing glassblowing process with your own eyes!
