**Klaus der Bäcker**

Our German Baker has traveled from the Renaissance city-state of Nuremburg in 1517 to be with us at the Minnesota Renaissance Festival. Originally drawn to the Realm to learn from the talented cooks of King Henry's court, he now toils away in the kitchen at night preparing all the bread, rolls, and pretzels for the next day. Often you can see him at the Queen's Gat trying not to dirty patrons with his abundance of flour or participating in Vilification Tennis tossing insults like balls of dough.
