Lloyd Brant and Rosie Cole have performed their Daffy Duck inspired show across the USA.

Badger Blades
Booth #732

We are handcrafters of fully functional, combat ready swords, knives, daggers and various implements of destruction. All of our weapons are warranted for the life of the smith against breakage of the blade, not because they are weak and we hope you don't break it, because they are the toughest blades you can buy for the money we charge.

Our blades have been used to chop apart old cars, engine blocks, bowling balls, appliances, concrete, trees, tire rims and just about anything else you can imagine including live steel stage combat.

We consider this to be normal use of our weapons. If you were to damage it, or break it during the course of these types of activities we will repair or replace it for the life of the smith free of charge.
