Earth in Wire  
Booth #122

My handcrafted wire wrapped jewelry are individual, unique reflections of my dance through life! The union of gold/silver wire with Mother Earth's magical semi precious stones creates a rhythmic, organic balance of spirit and earth. The fossils, pearls, and semi-precious stones have a uniqueness as individual as you and me. Each piece of jewelry evokes its own story of creation as a "one of a kind" reflection of what began as only an idea and transformed into an expression of beauty and feelings that compliments each other to come together as ONE.
