~ From The Editor ~

Welcome back all veterans and a hearty welcome to our new participants! I hope you all had a happy year since last season. This is my 10th year as a participant and my 3rd year of publishing this paper. Last season I had great responses to *The Knight After* and love writing/publishing it. I also have developed my own web site, opening it on April 19th of this year. I would welcome you to take a look at it and let me know what you think. It is called Rosalily's Renfest Regalia - <http://www.cloudnet.com/~renfest/> If anyone else has a site, please let me know. I'd like to publish a listing here in this paper. Also, if you have something you would like printed in *The Knight After*, either send it to me via the e-mail address above or find me at cast call.

Blessings, Sherry (Rosalily Bud)

Friar Tuck Pun

I don't believe many of you know this, but Friar Tuck wanted to become a Druid once. He also wanted to keep his titles and everything, and this made him wonder if he should pursue this line of work. He entered Sherwood forest to think about this and after a while, he grew weary and sat down by a tree to rest his eyes. After a while, he noticed he could hear voices talking around him. When he opened his eyes, he was surrounded by foxes and deer and bears, and he could understand them. He smiled and lived with them for a while. A few months later, the deer and bears came up to him. The deer told him that the foxes swindled them out of their salt licks. The bears told him how the foxes cheated them out of their honey. Friar Tuck listened to them and said "But why are you telling me this?" The deer and bears said in unison:

"Because only you can repent forest liars!"

RULES FOR BEING HUMAN

YOU WILL RECEIVE A BODY

You may like it or hate it, but it will be yours for all of this lifetime.

YOU WILL LEARN LESSONS

You are enrolled in a full-time school called life. Each day in this school you will have the opportunity to learn lessons. You may like the lessons or you may not like them.

THERE ARE NO MISTAKES, ONLY LESSONS -

Growth is a process of trial and error. The failures are as much a part of the process as the successes.

A LESSON IS REPEATED UNTIL LEARNED

A lesson will be presented to you in various forms until you have learned it. The lessons that have not been learned will continue to reappear in your life.

LEARNING LESSONS DOES NOT END

There is no part of life that does not contain lessons, if you are alive, there are lessons to be learned.

"THERE" IS NO BETTER THAN "HERE"

When your "there" has become "here," you will simply obtain another "there" that will, again, look better than "here".

OFTEN TIMES OTHERS ARE MIRRORS OF YOU

You cannot love or hate something about another person unless it reflects to you something you love or hate about yourself.

WHAT YOU MAKE OF YOUR LIFE IS UP TO YOU

You have all the tools and resources you need. What you do with them is up to you. The choice is yours.

YOUR ANSWERS LIE INSIDE OF YOU

The answers to life's questions lie inside you. All you need to do is look, listen and trust your inner voice.

**WHATEVER YOU WISH FOR OTHERS WILL
ONE DAY APPEAR IN YOUR LIFE.**

ADVICE FROM A FRIEND

(This was a response written in a newsgroup on the web.)

I want a man for free!

Faire Folk®

Ooohh, Elisabeth my dear young Goddess of Innocence..

1) There is NO such thing as a "...man for free..."

No way, no how, not anywhere. They all cost you something either in time, money, freedom, guilt, physical or personal space....and so on..... The trick is finding a man who is WORTH the personal cost of the relationship, and then working *with* him to make the relationship satisfying to *both* of you. (And all relationships, especially the good ones, do take some amount of work!)

2) Learning to cook, while not a prerequisite, goes a long way. Many men love to be fed and fed well and while it's not the ONLY way to a man's heart (I can think of a ...um.... *shortcut*..) it tends to be something akin to a four-lane highway for some guys. However it's not a given and if you truly don't like to or don't want to cook... don't sweat it.

3) Best advice is to be yourself, be TRUE to yourself, don't be afraid to be thought of as a woman with brains, and never, *ever* be afraid to laugh, to love, to do silly things and plunge deeply into doing something you enjoy.

Anyone who keeps the ability to see beauty never grows old.

-Franz Kafka

A kind and compassionate act is often its own reward.
