Magic was everywhere in the Realm. Fairies flying, wizard's casting spells, and mystical creatures playing all over the Realm. However, those days have long since past and the magic has been lost from the Kingdom. But, there is hope! The King has called upon the brave to journey on Merlin's Mystical Quest to restore all that has been lost. Discover the Festival through new eyes as you join in our interactive quest to return magic to the Kingdom. You will follow clues, solve puzzles and engage with all sorts of mystical folks as you complete each task.

Start at the information booth right inside King's Gate and receive your first mission on Merlin's Mystical Quest.
