

AD OF THE WEEK

HUZZAH!

Attractive shapely Renaissance Festival Wench in summer/shy, introverted writer rest of year. 24, 5'9", light brown haired, blue eyed damsel looking for a rogue (inside or out) to spark my wilder side year round. Interests include horses, D&D, fishing, Chinese food, Science Fiction, music (Fogelberg to Queens Ryché). Searching for SWM 20-35, long hair a plus but not necessary. One who can sweep me off my feet & carry me to places unknown.
