This is our opportunity to end the millennium with an unforgettable Minnesota Renaissance Festival! We can only accomplish that with your help, so welcome to all participants - veterans and newcomers.

Already, this has been a year of challenges, but the response and support have been inspiring. In February, a portion of the site was destroyed by fire and damages included craft booths, the Children's Realm and a food area. Investigations are still underway, but the fire was caused by an arsonist.

We are in the midst of several fundraising projects for the craft booth owners who were not insured. Mid-America Festivals and the recipient crafters are grateful for the support from Festival participants, patrons, suppliers, and friends.

Mid-America Festivals is taking the opportunity to design and rebuild the damaged area, so the Festival will enjoy a new look this year. As always, the combination of old favorites and new concepts will bring joy to thousands of visitors.

In the past year, we have said goodbye to some and welcomed others to the family. We are confident that the enthusiastic spirit and the infinite pool of talent will take the 1999 Minnesota Renaissance Festival soaring into the next millennium.

Thank you,

Jim Peterson

Pet owners must enter through the Pet Gate.

Only pets in good health and limited to dogs, cats, guinea pigs, gerbils, rabbits, hamsters, rats, mice, birds and ferrets are allowed. All pets must be under complete control on a leash at all times.

Aggressive behavior will not be allowed.

Pet leashes cannot exceed six feet.

Owners must clean up after their pets and dispose of waste in the designated receptacles.

Pet owners must report any accidents to First Aid immediately.

Pets must, at all times, display in full view the Festival pet tag. If Safety Service employees discover your pet without proper ID, they will escort owner and pet back to the Gate to get another tag.

All dogs, cats and ferrets must have the tags or written proof of current rabies vaccination (within 3 years for dog or cat and 1 year for ferret.) MRF will refuse entrance to an owner with a pet which has been officially deemed dangerous or "potentially dangerous."

Only one pet per owner will be allowed.

Each pet owner will be required to sign a hold harmless agreement which releases the Festival and Scott County from the pet owner's negligence.

If the pet owner fails to adhere to the above rules, they may be requested to leave the Festival grounds without refund.

Crafters Pet Rules

Although we all have pets that we love and want to keep with us as much as possible, the MN Renaissance Festival has been receiving closer scrutiny by the Minnesota Department of Health, and Scott County officials. We have seen the need for much stricter animal controls on site.

If you have a pet that you usually bring to Festival, we strongly encourage you to make other arrangements. We will continue with the same strict rules and regulations as last year. Again this year, all participant pets must have a photo ID. They must be physically restrained and out of sight during show hours. Also this year, pets must be kept under control during the non-show days and hours, as we have experienced damage to gardens and turf due to free-roaming pets.

Contact the staff member responsible for your area of participation to ask about an application.

Try to keep in mind that your pet may be more comfortable at home before you make your pet decision!

Safety Services

1998 was a safe and secure show due to our marvelous Safety Service crew. Their quick reactions and good judgment have bolstered our comfort level throughout the years. You will see some familiar faces in 1999 and some new ones. Please take the time to welcome **Susan Bowler** as Director and let her know you are behind her and her team 100%!

Emergency Procedures

We all hope that emergencies do not arise, but if they do, we need to know what to do! Here are some guidelines to cover possible situations.

In the event of a life-threatening situation:

1. Call **911** from a pay phone (no coin is needed).
2. Wait at the phone for the police to arrive. You will be their guide to the emergency.
3. For emergencies in the evening, contact Safety Services. There are radios at the BLT and Campground.

~ Remain safe and well.

PROTECT YOUR CASTLE

(OR YOUR SHOP!)

Every shop is required to have a fully charged 10 LB ABC underwriter-approved extinguisher easily accessible at all times. They must be tagged and current during the show. Lost extinguishers or those not in working order must be replaced immediately! Safety Services will be stopping by to check your fire extinguisher. If yours is not current, or in working order, call Metropolitan Fire Equipment, [REDACTED].

NEW GRASS

To all,

We are making a strong effort to reclaim lost ground on Site this year. We have added topsoil to several areas and seeded every area that we could. We realize this causes hardship for many people trying to work on their booths, but we would appreciate everyone's help in trying to "Save the Grass." If you absolutely need vehicle access, you should contact Jim Batzli or Nancy Schultz to find the safest route to your booth. We thank you all in advance for your cooperation.

The Grounds Crew

ATTENTION:

All those remodeling or doing new construction need this info. **NO WOOD IS ALLOWED IN DUMPSTERS OR COMPACTORS.** Debris can be taken to DEMCON landfill just off Hwy. 41, north of the Shop/Studio. DEM-CON cannot take all material from construction sites. If you have any questions call [REDACTED] or [REDACTED].

HOT OFF THE PRESSES

The Nisswa Chamber of Commerce has requested some entertainers to their Arts and Crafts Festival on Saturday, July 31. The Nisswa Chamber is willing to pay mileage and Saturday's meals. Nisswa is located about ten miles north of Brainard. Please let us know if you are interested by June 21.

ADA

Over the past few years, we have worked diligently to bring the structures on our Festival grounds into compliance with the American Disabilities Act. Since the U.S. Department of Justice is free to inspect the Festival premises at any time, we must be sure that any improvements or changes made meet ADA specifications. If you are a new participant, the ADA exhibit is a part of your License Agreement, and you should be familiar with the requirements.

The Festival is a delightful experience, and we appreciate your willingness and desire to see that all our visitors are able to truly enjoy it.

IN LOVING MEMORY

The Craft area of the Festival has been gratly affected by the loss of several good friends this winter and spring. We extend our condolences to the families and close friends of,

EUGENE HEUER, Shop #604, passed away in April after courageously facing cancer since December. This would have been the 25th season for Gene and his wife Marilyn in their jewelry shop near Bad Manor.

SHIRLEY STRASSBURG, P-26. Shirley was a familiar presence in the Tree Top area, having been a reader with the Festival since 1982. Shirley passed away peacefully in her sleep in March.

CURTIS WOOD, Shop #519, Laird James Honey and Candle Shoppe. Curtis suffered complications after surgery in January. He had been with the Festival for two years.

DOUGLAS KROEGER. Although not a craftsman, Douglas was a well-known figure in Shop #1233, Sasglametric Glass, owned by his brother David. Douglas suffered a heart attack in April.

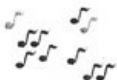

Flowers, Greens & Plants

When you start to beautify your space, you have the choice of two types of plants. Annuals, plants that grow for one season only or perennials, plants that return year after year. Vines work very well and are good for hiding not-so-good looking parts of your building.

Keep in mind the colors of your building and try to use colors that will complement them.

Water will help keep your plants and the new grass around your booth alive and looking good.

The Fabric of Our Lives...

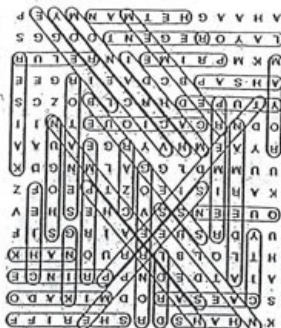

I'm back again as the crazy dictator....ahem, Costume Director.

This year, I am joined by my evil accomplice...uh, Shop Assistant, Stacy Zeigler. Any participant is welcome to call or visit the shop for any questions, inspiration, or (if you catch us on the right day) all-around general silliness.

But seriously, we have continued to improve our stock of patterns, which can be copied free at the Costume Shop. You can also get a copy of the Costume Guide and updated Resource, Costumer and Website lists. If you aren't the sociable type, we can mail the Guide and/or any list to you. Feel free to take advantage of our information; where else could you get so much free stuff? We can be reached at [redacted] ext 102.

See ya soon!
Dana

The Costume Shop hours are currently 8:00 am to 4:30 pm
Starting June 1st: Monday and Friday 8:30am-5:00pm
Tuesday-Thursday 8:30am-8:00pm

Special Events

We are currently developing the stuff dreams are made of. These weekend themes will be listed in the brochures coming out in June.

Thank You for your understanding.
Marketing Department.

Notes of Interest

The Elizabethan Syngers sang the theme song for CBS This Morning on Christmas Morning.

Reid Hegland (aka Geoffrey Reade, *Crown Herald of Arms*) is compiling a book of arms for Festival participants. Campground 99

Hello everyone,

Hope all is well with you and yours. There are going to be a few things that are different this year, and I thought I'd let you know.

First of all, we may dispense with direct check-out this year. That means when you leave, you will not have to try and find me to get your refund. It will be mailed. This does, however, mean that you should be sure that you give me a correct address on your application. It also means that you will need to leave your tag in your space when you leave. Another change is that whatever you bring in will have to be taken out. This includes pallets, plywood, furniture, appliances, packing crates, coolers, mattresses and carpeting. Unfortunately, last year some people decided to take advantage of the situation, and we were left with a huge mess. Believe it or not, folks, the stuff you leave behind doesn't just disappear. Someone has to clean it up.

The policy on standing platforms will remain the same. But if you're going to bring it in, be prepared to take it out. Also, from now on, any camping space that is not used by the third weekend will be considered open, whether it's been paid for or not. I'm getting really tired of trying to hold spaces for people who don't show up.

Finally, I would prefer that all fees be paid by check or money order. This makes keeping track of fees much easier. This isn't a rule yet, but it may become one.

That's it for now. Have fun everyone.

Jac Martins
Master at Castamentation
