Participants must be in possession of a valid Participant pass at all times when on Event Site. Persons unable to produce valid Participant pass when requested by FESTIVAL Staff may be asked to leave the Event Site immediately.

All Photo I.D. passes must be returned to the FESTIVAL office at the close of each Event.

PETS

Pets that will be on the festival grounds, in a booth or the campground need to be registered with your department head, and have an application on file.

You will need to have a "Pet ID" for your dog, which you will have to carry with you. Please fill out the pet application and give a copy of your pets shot records, the \$10 fee and a small photo of your pet to your department head.

For those of you that already have a "Pet ID" you still need to fill out an application and bring your current shot records along with the \$10 fee to get your card punched. Scott County wants us to keep track of this information in case of animal bites and it is also MAF policy.

Site I.D. Reminder www.faire-folk.com

Safety Services is charged with ensuring that the only people on site are individuals who have purchased tickets, or authorized participants with proper Site I.D.

You are to carry your Site I.D. (also known as your pass) on your person at all times, and display it at any time a Safety Services officer asks you to.

You will be asked to show it during show hours when you attempt to enter or exit the site via any participant access point. You may also be asked to show a pass when your vehicle drives onto festival property on Chestnut Boulevard at the "Back Gate." Additionally, Safety Services typically performs a site sweep at the end of every festival day to ensure that all patrons have departed, and the only personnel remaining on site are authorized participants.

Cooperation with the pass process is mandatory. Excuses such as "I have it permanently affixed to my booth", "I haven't gotten one yet," or "You know who I am," or any other excuses are not valid reasons to fail to show a pass. Safety Services officers have been told that individuals wishing to enter site without a pass must proceed to a place designated by MAF that is authorized to issue passes, and may not walk through the site to get there. Furthermore, Safety Services officers have been told that individuals who do not display a pass during the site sweep process must be asked to leave site via the Front Gate immediately.

Please cooperate with Safety Services employees as they enforce these rules. Becoming argumentative or irritable will not entice the Safety Services officer to make an exception. You are encouraged to consider wearing your pass on a lanyard or chain to keep it visible during the sweep process and easily accessible at all times. Please note, the campground has additional pass requirements not delineated here. For your reference, the official crafter rule regarding passes is below.
