# New Treats & Old Favorites

**Chicken-on-a-Stick:** Tenderloin of Chicken Breast breaded and fried, served on a skewer.

**Sausage-on-a-Stick:** A giant fresh sausage is skewered, grilled, and presented for your palate. A favorite from the Kingdoms of Germany.

**Imported Wines:** The Wine Stewards of the Realm have procured the fynest varietal wines from across the land, for your enjoyment. Treat yourself to this pleasure which you undoubtedly deserve.

**Panzerotto:** New to the Realm, this traditional Italian favorite was brought to King Henry by Don Tino Lettieri. A tender crust encloses fresh tomatoes, three cheeses, mouth-watering spices, and your choice of sausage and onion or broccoli and cauliflower filling. It will make your heart sing and your tongue say "Bellissimo!"

**Sparkling Cider,**  
Presented by

Taste the nectar of the summer's harvest! Pure, refreshing, sparkling Apple Cider, courtesy of the good people from the Cities' 97 FM.

**King Creole:** Fit for a Queen! Shrimp, in a light, zesty creole sauce delicately seasoned with herbs and spices, are combined with green pepper, onions, and other tasty vegetables from the Royal Gardens. The delicious sauce is served over steaming pasta.

**Stuffed Crab:** Delicacy from the sea, made especially for the King. A crab shell stuffed with crab and seasoned breading.

**Sausage & Cheese Kabobs:** This favorite of knights and squires features varietal cheeses and seasoned sausage skewered and topped with a Queen Olive.

**Chinese Egg Roll:** Direct from the far eastern land discovered by Marco Polo. Diced carrots, cabbage and meat wrapped in a crispy thin crust.

**Seafood Pocket:** Tasty pita bread from the Royal Bakery, filled with delectable seafood salad and crisp leaf lettuce.

**Knave Sandwich:** This mainstay of the yeomen features a spicy polish sausage, served with sauteed peppers and onions, and ~~comes~~ with your choice of condiments.

**Roasted Corn:** Picked from the Royal Gardens, this New World discovery is roasted in its own husk then dipped in creamy butter. A wholesome addition to your feasting pleasures!

Faire Folk®

**Renaissance Rope Cake:** A delicacy enjoyed by peasant and noble, the light batter is fried to a golden brown and dusted with powdered sugar.

**Schnitzel Fritter:** A course-ground German frankfurter cut in bite sized rounds, lightly breaded and browned 'til golden. A favorite of the Teutonic Knights, which you too can enjoy.

**Hot Gourmet Cookies:** Fresh from the Royal Ovens, these extra large cookies are hot, soft and delicious. Choose from Chocolate Chunk, White Chocolate with Macadamia Nuts or Peanut Butter.

**Cheese Cake:** Creamy, rich cheesecake in a variety of flavors. Featured this year, cheesecake dipped in a generous coat of delicious chocolate and declared "Heavenly" by the Queen.

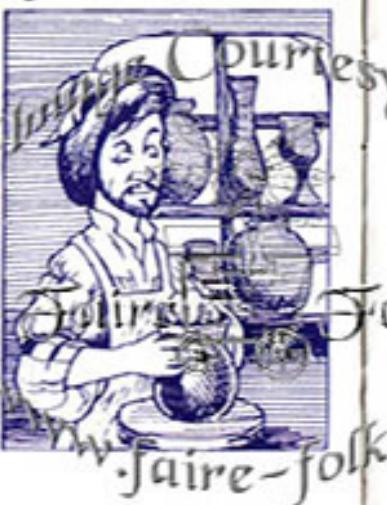

**Italian Pies:** The Queen has baked a crust layered with a seasoned Italian sauce, spiced meats and covered it with shredded mozzarella cheese. Good enough to be Catherine di Medici's personal recipe!

## Fyne Crafts

Shop for fyne crafts while visiting our realm! There's everything from Astrolabes to Zebra Wood, and each piece is entirely hand crafted by the artisans in the shops. All crafters must pass the test of the King's jury and only the finest are honored with citizenship in our faire realm. So, do as the King and Queen do every afternoon; visit a shop keeper and bring home a unique, one-of-a-kind souvenir. It will make your visit to our realm a lasting experience!

## Craft Demonstrations

Many of the Festival crafters create wonders before your admiring eyes. See a horseshoeing demonstration, watch liquid glass become a goblet or molten metal turn

into a coin. Talk to a crafter about dyeing with natural dyes, weaving a scarf or making paper. Smell perfume as it's being distilled, try your hand at throwing a pot or carving in wood. Watch a knight put on a suit of armor. Crafters who do demonstrations are designated in the Artisan's Market listing on pages 10 and 11. Remember, there is much for you to see and after you've learned all the crafters' secrets you'll be as wise as Merlin!

## Hall of Masters

Based on the Guild Hall where journeymen crafters vied for the title of Master by presenting their "Master Piece," it's a Renaissance Gallery displaying the finest wares from the hands of our Festival crafters. The show changes weekly to honor different crafts, inviting artisans to exhibit their own masterpieces. What a wonderful reason to come back again and again!

You'll find the Hall of Masters in Narrow Market, near "The Bear."
