Rasputin
Pox

Faire Folk

"If we're not happy, you're not happy. We guarantee it!"

In the event the Client's behavior is deemed inappropriate, or due to lack of payment, or simply at the whim of the Assassins, said Assassins have the permission of the Client to flay the skin off said Client's body, thrust needles under said Client's fingernails, immerse said Client's tormented body in boiling oil, and finally kill said Client (and any surviving kin) in any manner the Assassins deem fitting. Be it further also known that in the event of the Client's death, said Client hereby leaves Rasputin, Ishmael, Pox, W.A., the entirety of said Client's estate, funds, and wealth.
